

SuperSkiCard celebrates 25 years of skiing pleasure and the inclusion of the new ski region Hochficht

In winter 2024/25, the SuperSkiCard celebrates an incredible 25 years! The 25th anniversary of the unique ski association will be celebrated from 12 October 2024 to 1 May 2025. The SuperSkiCard offers a wide range of skiing pleasure with up to 2,840 kilometres of slopes in 23 ski regions in Salzburger Land and in neighbouring ski areas as far as Bavaria. This year, the SuperSkiCard ski association has an additional ski region in the tri-border region of Austria, Czech Republic and Germany: The Hochficht ski region is one of Austria's largest winter destinations beyond the Alps. Variety and maximum flexibility are guaranteed with the SuperSkiCard Premium, the flexible ticket or as a ski pass.

"We are delighted that we have been able to offer SuperSkiCard customers a unique and varied offer for the ultimate skiing adventure for 25 years", says Dr Erich Egger, Chairman of the SuperSkiCard ski association. "Our aim is to offer our customers an unforgettable winter experience by making skiing in Salzburg, Tyrol, Carinthia, Upper Austria, Styria and Bavaria possible. We are excited to adding another ski region to our already impressive number of ski regions, namely Hochficht".

New SuperSkiCard ski region: Hochficht Bergbahnen GmbH

The SuperSkiCard offers endless skiing pleasure with up to 2,840 kilometres of slopes. 23 ski regions with 89 ski resorts, more than 800 huts and mountain restaurants and over 900 state-of-the-art cable car and lift facilities promise variety and flexibility for winter sports enthusiasts. With the addition of the Hochficht ski region in the tri-border region in Upper Austria, the SuperSkiCard offer is even more varied. This means more options for SuperSkiCard customers, whether freestyle, slope fun or family time - there's something for everyone! No reason to wait any longer! Start the winter now with the SuperSkiCard and use your ticket for hiking in autumn as well.
